DATASHEET / BROCHURE

Keep costs low and productivity high with this reliable A3+ business inkjet printer with a fast FPOT for small to medium workgroups.

A reliable A3+ workgroup printer perfect for the business environment, from small offices to large corporates. Ideal for those who may have traditionally used lasers and want to cut costs, increase productivity and reduce downtime, while also reducing their environmental impact and improving their CSR reputation.

Reduce printing costs and minimise your outgoings

With a low total cost of ownership (TCO) this printer makes this an attractive choice for businesses on a budget. Designed for workgroups, businesses can avoid the hidden employee productivity costs associated with downtime. With less chance of breakdowns, and fewer interruptions, keep productivity high. Giving great value for money, these low-cost ink cartridges offer a high ink yield of up to 11,500 pages in mono and 8,000 pages in colour without changing the ink.*

Save time and increase productivity

Delivering a fast First Page Out Time (FPOT) of 5.5 seconds from ready mode,** spend less time waiting for prints. With fewer replacement parts, reduce intervention and minimise interruptions with this reliable and robust printer. With up to 3 x 500 sheet optional cassettes, and a maximum of 1,835 pages change paper less frequently too.

Reduce your environmental impact with this energy-efficient printer

Improve your businesses sustainability, while keeping productivity high and energy costs low. With Heat-Free printing technology, benefit from low-power consumption without compromising on an ultra-sharp output.

Built for business

A range of software and tools provide secure print options, and help manage devices remotely. Wireless connectivity also supports printing from mobile devices. And with its user-friendly 6.1 colour LCD, it's intuitive to operate.
