Expression Home XP-322

The Expression Home XP-322 is part of Epson's smallest ever range of small-in-one home inkjets. This printer, scanner and copier offers cost-effective printing through the use of inks that can be replaced individually. An LCD colour screen makes using the XP-322 clear and easy, while Wi-Fi compatibility and mobile printing allow printing from anywhere[1].

Efficient & affordable
Epson's Claria Home Ink is ideal for affordable and reliable printing, producing crisp, clear text documents and glossy, lab-quality photos. The use of individual ink cartridges mean you only have to replace the colour used, saving you money.

Easy set-up
The automatic Wi-Fi set-up[2] makes configuring laptops and computers to print and scan wirelessly extremely easy. You don't need to know your network settings as the XP-322 automatically finds the relevant connection settings in order to configure itself. For added versatility, Wi-Fi Direct® allows easy printing from compatible wireless devices without the need for a network.

Mobile printing
The XP-322 comes with Epson Connect[1] which consists of Epson iPrint[1]– for easy wireless printing from smartphones and tablets; Epson Creative Print[1] – print photos directly from Facebook and Epson Email print[1] – print from anywhere in the world by emailing photos and documents directly to the printer. AirPrint[3] and Google Cloud Print are also supported.
