HP Tango Family

The first smart home printer[1]

Designed with life in mind

Today is a 24/7 balancing act, from managing hectic work schedules to making time for family. And there's not always enough time to get everything done, especially when it comes to everyday printing needs. Thankfully, there's a smart printer that acts more like a personal assistant—whether on the go or at home.

Introducing the HP Tango Family. Welcome to the age of smart printing.

Smart and simple

The seamless setup experience you expect from a smart device— no USB ports or drivers required. Just download the HP Smart app, connect, and you're ready to go on your smartphone, laptop, or tablet—or even your voice assistant.[2,3,4]

More connected than ever

The first printer with a cloud-based, two-way network connection lets you print, scan, and copy, from any device, anywhere—and the HP Smart app tells you when the job is done.[1,2]

Save up to 50% on ink and never run out

Tango automatically orders ink when you're running low, and you pay less than 5 cents per page with HP Instant Ink.[5] Save up to 50% on ink and never run out.[6,7]

Your photos print free

Only on Tango—when you enroll in HP Instant Ink, photos up to 5" x 7" (13 x 18cm) printed from your smartphone are free.[8] You hit print, and the photos are free.[8]

Smart and simple

Seamless setup

Get started fast with easy setup. The app guides your every step, including ink and paper installation. Simply download the HP Smart app, connect to Wi-Fi, add ink and paper, and share your printer across your devices.[2]

Simple sharing

Sharing Tango is easy. Family and friends can print photos and documents directly from a variety of smartphones, tablets, or laptops.[3]

Make printing as easy as talking

Get voice-activated printing that saves you time and delivers a hands-free printing experience.[4] Voice-activated printing enables your HP printer to work with Amazon Alexa, Google Assistant™, and Microsoft Cortana.[4,9]

Your reliable connection

Whether connecting your printer to your network or your mobile device to your printer, we have you covered. Get reliable home connections with dual-band Wi-Fi.[10]
More connected than ever

Ready when you are
