

Kodak i5000 Series Scanners

Serious scanning power for real-world volumes

Real world, real results

At the end of the day, success depends on how much you've accomplished since the start of your day. For years, award-winning **Kodak** i5000 Series Scanners have been the choice of the most demanding customers in the toughest scanning environments – service bureaus, business process outsourcing organisations, and corporate scanning departments. The newest i5000 models offer efficiency and reliability that can positively impact productivity and enable true, high-volume processing.

Rated speed and real-world throughput can be very different numbers. **Kodak** i5000 Series Scanners get high marks for delivering on what they promise. Truth in specifications and engineering know-how adds up to high volume throughput. It's the processing speed, smooth paper flow, and document handling versatility you need.

- Enjoy the same high throughput at 200 dpi and 300 dpi (bitonal and colour) even with all imaging features turned on
- All models can scan an unlimited daily volume of documents
- Dynamic Flow Technology – delivers optimised memory allocation and processing paths, letting the scanner find the most efficient way to scan, perform imaging functions and extract data (not available on V models)
- Speed processing by loading any diverse mix of documents – including fragile and extra thick originals
- The large input tray can hold up to 750 documents, keeping the scanner busy longer
- Spend less time adjusting documents – controlled stacking technology keeps documents neatly lined up

Advanced efficiency features handle complex tasks and difficult document types easily. Anticipating and avoiding potential problems in advance helps to minimise interruptions and slowdowns.

- Prevent document damage with Intelligent Document Protection (IDP); it listens for problems and alerts you before they become jams or misfeeds

- Monitor multi-feeds on the PC and quickly choose to ignore, accept or rescan images from the scanner control panel
- Save data entry time and enhance accuracy with barcode reading capability that delivers data to applications
- Get improved touchscreen visibility with wide-angle viewing from two ergonomically correct positions
- Organise large, multi-batch jobs with Intelligent Imprinting and simple patch counting
- Reduce the need for rescans and post-image processing – auto image rotation and skew detection ensure that images are right side up and straight

Exceptionally clear images are essential for accurate data capture. **Kodak** i5000 Series Scanners reliably deliver sharp results reducing the need for quality assurance checks or rescans.

- Clear, crisp images greatly enhance optical character recognition (OCR), intelligent document recognition (IDR) and validation rates
- Get great results when you scan a mixture of different-sized documents – from business cards to 11" x 17", smooth or messy – without changing settings
- Print important tracking information right on your documents as they're scanned with optional front or rear side imprinter accessories

With a wide range of speeds, features, and connectivity, there's an i5000 Scanner that will help achieve your real-world throughput goals and meet your business objectives.

- Easily integrate with your current software and workflow
- i5250/i5250V and i5650/i5650V models are placed on a desktop for easy use
- i5250V and i5650V models are available with **Kodak OEM VirtualReScan (VRS)** Professional connectivity onboard

The i5850 Scanner is a floor standing model and a major advance in the art of ergonomically friendly production scanning.

- Image addressing permits reading of patch codes so sequential numbers can be applied to each document scanned and each batch accurately tracked
- The optional **Kodak Controlled Dual Stacking Accessory** automatically separates patch sheets and checks in a single step – so you can reuse sheets and gain other productive advantages

Reliable scanners, reliable support

- **Kodak i5000 Series Scanners** offer reliable performance because they're built with a rugged design and steel-welded frame
- Get the best possible performance from your scanners and software with a full range of Service and Support contracts available to protect your investment and keep productivity at peak levels
- If you ever need help in a hurry, count on our world-class Service and Support

Connectivity Options

Kodak i5250V and **i5650V** Scanner models come with **Kodak OEM (VRS) Professional** software onboard, so you enjoy all of the application connectivity, image enhancement, and error resolution features that **VRS** delivers at no added cost.

True productivity evolved and advanced

Over 99%

accuracy rate achieved by a service bureau meeting short-term, multi-million document volume goal

45 million

pages captured with i5000 Series Scanners, providing doctors at a prestigious UK hospital better access to patient information for improved patient care

100,000

transaction documents processed daily by a service bureau using a **Kodak i5650** Scanner to meet mandated performance levels and legal requirement for pages to be returned in exact order

Optional software – enhance your scanning solution

Kodak Info Input Portfolio

Info Input Portfolio offers faster, smarter, more productive, more secure web-based capture solutions.

Kodak Info Input Express

Info Input Express is an easy, intuitive browser-based capture solution designed to allow users to simply scan, index, convert and submit documents to their desktop or business systems. It can be integrated with **Kodak Capture Pro Software** to extend the batch capture capabilities of Capture Pro with the remote indexing and simple interface of Info Input Express.

Kodak Info Input Solution

Info Input Solution is a fully featured, powerful, browser-based capture solution that allows users to scan, import, index, convert and submit documents from their centralised mailroom, across remote locations / departments or on the move. Info Input Solution Transactional can capture and index from within your own business applications. And the Info Input Solution Mobile option enables you to capture on the go.

	Kodak i5250/i5250V Scanner	Kodak i5650/i5650V Scanner	Kodak i5850 Scanner
Feature comparison			
Throughput (200 and 300 dpi for bitonal and colour with all imaging features turned on)	150 ppm	180 ppm	210 ppm
Interface Support	i5250V/i5650V: Kofax OEM VRS Professional software		
Shared features			
Recommended Daily Volume	No limit with i5000 Series Scanners		
Scanning Technology	CCD		
Optical Resolution	600 dpi		
Output Resolution	100 / 150 / 200 / 240 / 300 / 400 / 500 / 600 dpi		
Illumination	White LEDs		
Maximum Document Width	304.8 mm		
Long Document Mode Length	i5250/i5650/i5850: Up to 4.6 m; i5250V/i5650V: Up to 1 m		
Minimum Document Size	63.5 mm x 63.5 mm		
Paper Thickness and Weight	With standard feeder: 45 g/m² bond to 200 g/m² index. With ultra-lightweight feeder accessory: 25 g/m² rice paper to 80 g/m² bond		
Feeder/Elevator	Automatic 750-sheet elevator design; automatic document feeder with four settings: continuous feed, 100-sheet, 250-sheet, 500-sheet and full 750-sheet batches		
Multi-feed Detection	5 independent ultrasonic zones		
Connectivity	USB 2.0 Certified, USB 3.0 compatible		
Software Support	Bundled software: TWAIN , ISIS and WIA drivers, Kodak Capture Pro Software Trial Edition , Kofax certified. Fully supported by Kodak Capture Pro Software , Kodak Info Input Solution , and Kodak Asset Management Software		
Features in the Scanner	Features specific to the i5250/i5650/i5850 models: Perfect Page Technology, enhanced jam recovery, streak filter, iThresholding, aggressive crop, multi-colour dropout, and dual-stream scanning. Features common to all models in the i5000 Series: Barcode reading in the scanner, rear exit, digital printing, staple detection, image merge, rear side printer, Intelligent Imprinting (hardware patch counting), controlled stacking, automatic colour detection, autocrop, deskew, content-based blank page detection and deletion, automatic orientation now with defaults, colour on the fly toggle patch, operator overrides, Interactive multi-feed host view, intelligent document protection		
Image Addressing Via Sensors (i5850)	Multi-level indexing/batching capabilities		
Output Compression	CCITT Group IV; JPEG or uncompressed output		
Warranty	1 year on-site		
Electrical Requirements	100-240 V (international), 50/60 Hz		
Power Consumption	i5250/i5650: Sleep Mode: < 3.5 watts; Running: < 215 watts; Standby: <0.5 watt i5250V/i5650V: Sleep Mode: < 5.5 watts; Running: < 205 watts; Standby: <1.0 watt i5850: Sleep Mode: < 3.5 watts; Running: < 220 watts; Standby: <0.5 watt		
Environmental Factors	Energy Star qualified scanners, 2008 EuP		
Acoustical Noise (operator position sound pressure level)	i5250/i5650: Standby mode: <39 dB(A); Scanning at 300 dpi <56 dB(A); i5850: <44 dB(A); Scanning at 300 dpi <64 dB(A)		
Recommended PC Configuration	i5250/i5650/i5850: PC: Intel Core i5 (Sandy Bridge or newer), running at 2.7 GHz or higher; USB port 3.0 (Super speed) or 2.0 (High Speed); 4 GB RAM or more; Windows XP (customer validated – not supported by Kodak Alaris because Microsoft discontinued support in 2014) i5250V/i5650V: PC: Intel Quad Core i5 (Ivy Bridge or newer), running at 3.0 GHz or higher; USB port 3.0 (Super speed) or 2.0 (High Speed); 4 GB RAM or more; Windows XP (customer validated – not supported by Kodak Alaris because Microsoft discontinued support in 2014)		
Supported Operating Systems	Microsoft Windows 7 (32-bit and 64-bit); Microsoft Windows 8 (32-bit and 64-bit); Windows 10 (32-bit and 64-bit)		
Consumables Available	Feeder consumables kits, imaging guide set, printer ink cartridge and carrier, transport cleaning sheets, roller cleaning pads, printer ink blotters, Staticide Wipes, switchable black/white background		
Accessories/Options	i5250/i5250V/i5650/i5650V/i5850: Enhanced Printer Accessory for Kodak Scanners (front pre-scan and rear post-scan), i5200 to i5600 upgrade, manual feed shelf, Document Extenders 66.04 cm, 76.02 cm and 86.36 cm i5850: Kodak Controlled Dual Stacking Accessory Kodak Legal Size (A4) Flatbed Accessory and the Kodak A3 Flatbed Accessory are available to support all models		
Dimensions	i5250/i5250V/i5650/i5650V: Height: 43.4 cm, Width: 69.3 cm, Depth: 51 cm with tray closed, 65.3 cm with tray open i5850: Height: 106.7 cm – 130.8 cm, Width: 69.3 cm, Depth: 82.3 cm		
Weight	i5250/i5250V/i5650/i5650V: 57.6 kg i5850: 186 kg
