Lamination was never so easy!

The iLAM laminator range combines Leitz quality with a unique sensor technology. The iLAM touch's sensors mean that there are no settings needed and you will always get the perfect result. No bubbles, creases or misalignments.

All you need to know is on and off. And iLAM laminators aren't just clever, they're also the fastest available.

A fully automatic - no setting needed

Patented foldable flaps

Unique sensor technology

A NEW GENERATION OF LAMINATORS

- ✓ Intelligent sensor technology recognises pouch thickness
- ✓ The machine automatically selects the optimum speed to temperature
- ✓ No settings needed – always perfect results!

ALWAYS PERFECT LAMINATION
