

Lexmark CS417dn

Fantastic colour. Faster. With PANTONE[®] accuracy.

Save money by printing your colour documents and images in-house. The CS417dn produces images and documents with PANTONE colour accuracy at higher speeds—up to 30 pages per minute. It boasts a 6-cm colour LCD screen, keypad, advanced security and front USB port. Includes mobile print capability.*

Brilliant, accurate colourfaster

The CS417dn offers colour-matching tools and PANTONE calibration to make it easy to get consistently accurate colour output at up to 30 pages per minute, so you can save time and money by creating colour prints and documents in-house. Thanks to a dual-core processor and 256MB of memory (upgrades up to 2.3GB), even complex documents with graphics and images print quickly. The CS417dn can deliver the first colour page in as little as 10 seconds.

4-year Guarantee

Given the choice, wouldn't you prefer to buy a device that protects your investment with a guarantee? The affordable CS417dn is so well made, we back it with a guarantee that covers repair actions including the cost of spare parts if they are needed in the first four years**. The guarantee also offers you free 24hour online support and access to technical support by phone during working hours.

*Requires free Lexmark Mobile Print app with Android or iOS mobile device

**Offer applies if the product is registered within 90 days from the date of purchase. Supplies and/or consumable parts, such as fuser or transfer unit, are excluded. Please refer to the detailed terms and conditions available at lexmark.com/myguarantee.

High Yield cartridges offer lower cost per page

The CS417dn can use available High Yield cartridges to produce up to 3,500 color pages and 6,000 black pages. They never require shaking, which minimises interruptions and keeps your work moving. Lexmark's print system and exclusive Unison™ Toner ensure consistent print quality throughout the life of the cartridge to prevent wasted prints.

User-friendly

The CS417dn makes everything easy, thanks to its networking and full compatibility with nearly every operating system and network, so you'll be up and running in minutes.

It's built to last, so you'll easily be able to print up to 6,000 pages per month, thanks to our state-of-the-art paper handling technology and longlife consumables.

Monitor operating status and supply levels on the printer's easy-to-use, 6 cm (2.4 inch) colour LCD screen or from a remote location via its web interface. Add up to two extra paper trays to boost input to 1,450 pages for fewer interruptions.

Eco-friendly

Built-in two-sided printing reduces paper use. The instant warm-up fuser saves energy and delivers the first colour page as fast as 10 seconds. Select an energy-saving mode (Quiet, Hibernate or Eco) to automatically minimise noise and energy consumption.

Through LCCP, the Lexmark Cartridge Collection Programme, Lexmark offers a free and easy way for you to return your empty cartridges for sustainable recycling or remanufacturing. Learn more at http://www.lexmark-emea. com/LCCP/recycling

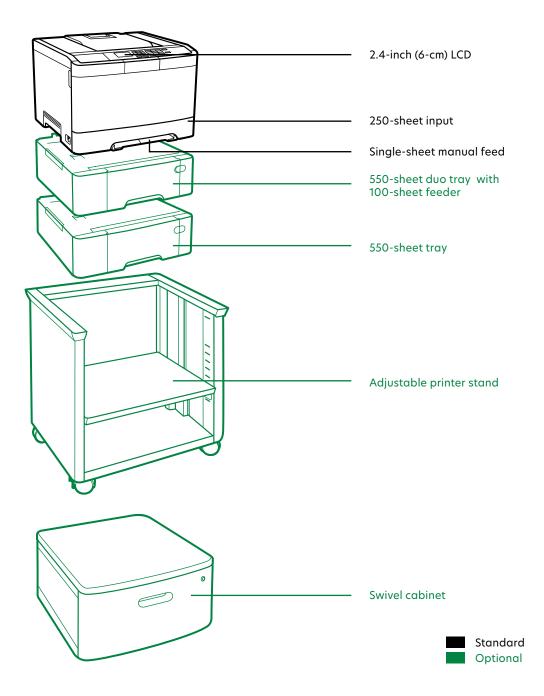

Lexmark CS417dn features

Product specifications	Lexmark CS417dn
Printing	
Display	6 cm (2.4 inch) colour LCD display
Print Speed: Up to ³	Black: 30 ppm / Colour: 30 ppm
Time to First Page: As fast as / Time to First Page: as fast as	Black: 9 seconds / Colour: 10 seconds

Size (mm - H x W x D) / Weight	291 x 442 x 407 mm / 20.5 kg
Part Number	28DC075

¹Average continuous black or continuous composite CMY declared cartridge yield up to this number of standard pages in accordance with ISO/IEC 19798. ²Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details. ³Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. ⁴Actual Yield may vary based on other factors such as device speed, paper size and feed orientation, toner coverage, tray source, percentage of black-only printing and average print job complexity. ⁵^mMaximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. ⁴Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details. ⁷Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.
