

Lexmark CS517de

CS517de

Print more pages per month. In PANTONE® accurate colour.

Some months are busier than others, but the CS517de can handle them. It's recommended for printing up to 7,000 pages per month at speeds of up to 30 pages per minute. Each page features professional-quality colour with proven PANTONE®colour accuracy. The CS517de also offers advanced security, Gigabit networking, a 10.9 cm colour touch screen, keypad, 2-sided printing, together with High Yield cartridges and mobile print capability.*

Amazing colour, fast

Colour matching tools and PANTONE® calibration make it easy to get consistent, accurate colour output so you can save time and money by creating colour documents in-house. Thanks to a dual-core processor and 512MB of memory standard (expandable up to 2.5GB), even documents with graphics and images print quickly. The CS517de can deliver the first colour page in as little as 10 seconds.

Up to 30 ppm

Security. Confidential Print. Mobile print capability.

Extensive network security features and protocols protect your device, information and network from unauthorised access. Keep your sensitive documents safe by enabling the Confidential Print feature, which requires entering a customised, unique PIN on the device's keypad before the document can be printed.

In addition, you can print from mobile devices using Lexmark's free Mobile Print app or an optional Wi-Fi adapter.

4-year Guarantee

Given the choice, wouldn't you prefer to buy a device that protects your investment with a guarantee? The affordable CS517de is so well made, we back it with a guarantee that covers repair actions including the cost of spare parts if they are needed in the first four years**. The guarantee also offers you free 24hour online support and access to technical support by phone during working hours.

High Yield cartridges offer lower cost per page

High Yield cartridges are available which deliver up to 3,500 colour and 8,000 black pages. They never require shaking, which minimises interruptions and keeps work moving. The Lexmark print system and Unison™Toner ensure consistent print quality throughout the life of the cartridge to prevent wasted prints.

User-friendly

The CS517de is simple to install, easy to use and offers built-in networking and full compatibility with nearly every operating system and network, so you'll be up and running in minutes.

It's built to last, so you'll easily be able to print up to 7,000 pages per month, thanks to our state-of-the-art paper handling technology and long-life consumables.

Lexmark's Mobile Print app for iOS and Android devices provides a simple and consistent user experience for printing from mobile devices. It features simple printer discovery and mobile print.

Eco-friendly

Built-in two-sided printing reduces paper use. The instant warm-up fuser saves energy and delivers the first colour page in as little as 10 seconds. Select an energy-saving mode (Quiet, Hibernate or Eco) to automatically minimise noise and energy consumption.

Through LCCP, the Lexmark Cartridge Collection Programme, Lexmark offers a free and easy way for you to return your empty cartridges for sustainable recycling or remanufacturing.

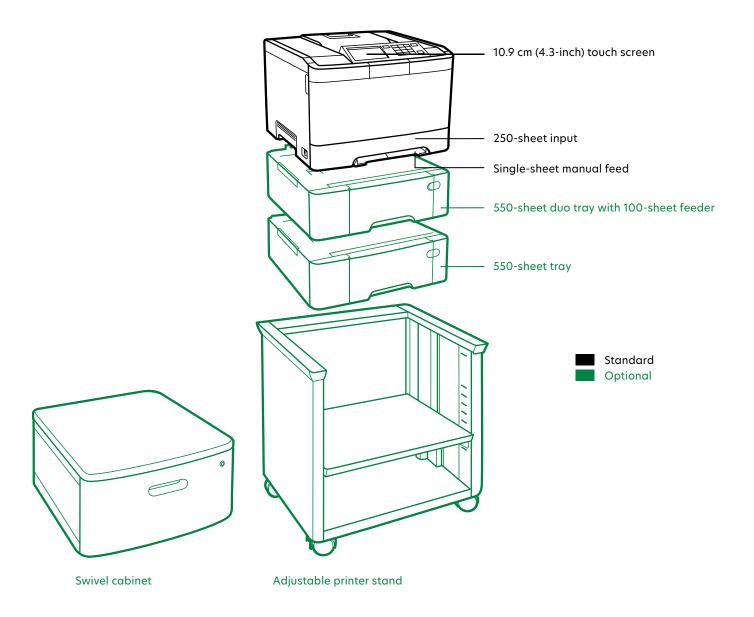

Product specifications	Lexmark CS517de
Printing

Size (mm - H x W x D) / Weight	306 x 442 x 407 mm / 20.9 kg
Part Number	28EC075

¹Average continuous black or continuous composite CMY declared cartridge yield up to this number of standard pages in accordance with ISO/IEC 19798. ²Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details. ³Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. ⁴Actual Yield may vary based on other factors such as device speed, paper size and feed orientation, toner coverage, tray source, percentage of black-only printing and average print job complexity. ⁵"Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. ⁴Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details. ⁻"Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.
