Lexmark MS310 Series Monochrome Laser Printer

Convenient Printing. Compact Design.

The Lexmark MS310 Series provides speed, reliability and convenience in a compact design. Enhance productivity and save time, print your first page in as little as 6.5 seconds. *Need network capability? Get the MS310dn.*

MS310d/dn

Up to 33 ppm	Network	Duplex	Eco-Mode	Unison TONER

Packed with Power. Ready to Produce.

Don't let the size fool you. The Lexmark MS310 Series laser printers quickly produce high quality, professional prints in a space-saving design.

Print Complex Documents Fast - With 128 MB of memory and a powerful 800 MHz dual-core processor, it prints documents with graphics and images effortlessly.

Reliable Performance - Easily print up to 2,500 pages per month, plus enjoy fewer maintenance hassles, thanks to our state-of-the-art paper handling.

Run Jobs without Interruption - An input capacity of up to 850 sheets means you won't have to add paper as often.

Get Work Done Quickly - Enjoy print speeds up to 33 pages per minute plus print your first page in as little as 6.5 seconds.

Professional Results. No Training Required.

Look sharp from the start: the MS310 Series with impressive speed lets you power through any print job quickly.

Fast Set Up - Instructions are easy. You'll be up and running in minutes.

High Resolution Graphics - With up to true 1200x1200 dpi resolution, images and graphics stay crisp. Lexmark's Unison™ Toner ensures consistent quality, too.

Easy-to-Read Control Panel - Stay on top of your printing jobs with our bright LED control panel that's easy to see.

Innovative Toner That Optimises Performance - Get greater system performance with Lexmark's Unison™ Toner, which delivers consistent image quality from first print to last.

Get More Work Done. Effortlessly.

Quickly respond to changing business needs with our eco-friendly printers that streamline your workflow.

Help Workers Do More - Our system can print jobs from the network faster, so your teams stay productive. Looking for standard Ethernet networking? Choose the MS310dn.
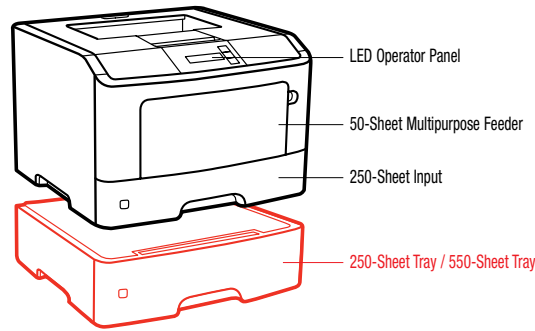

Enjoy Enterprise-level Security - Audit employee usage and protect sensitive data using standard network security protocols.

Save Resources and the Planet - An instant warm-up fuser, built-in two-sided printing, plus Quiet, Hibernate and Eco modes minimise noise and save paper and energy.

Print Anytime and Anywhere[6] - With this system, you can print from desktops as well as mobile devices that can run applications.
