Lexmark MX310 Series
Monochrome Laser Multifunction Printer

Versatility. Compact Design.

The Lexmark MX310 Series MFP is fast with enterprise-worthy processing speeds that tackle printing, copying, faxing and scanning tasks in a flash. Efficient paper handling helps you improve productivity and save resources.

Up to 33 ppm	Network	Duplex	Eco-Mode	Unison™ TONER

MX310dn

Better Performance in Less Time.

Look no further for performance at an affordable price. This system is built to improve your workflow and efficiency with ease.

Faster Processing - Improve your print, scan and copy speeds by taking advantage of 256 MB of memory and an 800 MHz dual-core processor.

Reliable Performance - Easily print up to 6,000 pages per month, plus enjoy fewer maintenance hassles, thanks to our state-of-the-art paper handling.

Keep Jobs Moving - With a maximum input capacity of up to 850 sheets and a high yield toner cartridge, you won't have to add paper or change cartridges as often.

Get Work Done Quickly - Enjoy print speeds up to 33 pages per minute, plus print or copy your first page in as little as 6.5 seconds.

Easy to Use. High Quality Results.

Intuitive and thoughtful features put high quality output at your fingertips. From sharp graphics to convenient controls, it's easy to get professional results.

High Resolution Graphics - With up to true 1200x1200 dpi resolution, images and graphics stay crisp. Lexmark's Unison™ Toner ensures consistent quality, too.

Innovative Toner That Optimises Performance - Get greater system performance with Lexmark's Unison™ Toner, which delivers consistent image quality from first print to last.

Convenient Control Panel - Keep on top of your printing jobs with our easy-to-read colour LCD display.

Print on a Wide Range of Media - With the ability to print on diverse materials, you can do more for your business and use less paper.

Get More Work Done. Effortlessly.

Quickly respond to changing business needs with our eco-friendly printers that streamline your workflow.

Help Workers Do More - Our system can print jobs from the network faster, so your teams stay productive.
Enjoy Enterprise-level Security - Now you can authenticate, authorise and audit employee usage. Plus, protect sensitive data using standard network security protocols.

Save Resources and the Planet - An instant warm-up fuser, built-in two-sided printing, a high yield toner option, plus Quiet, Hibernate and Eco modes minimise noise and save paper and energy.

Print Anytime and Anywhere[6] - With this system, you can print from desktops as well as mobile devices that can run applications.
