Mobility

Value and versatility. Combines 4 devices into 1.

Move up to a multifunction product that combines printing, copying, scanning and faxing into a single compact and affordable device. The MX317dn produces professional-quality prints and documents at up to 33 pages per minute and is recommended for a usage of up to 6,000 pages per month. Includes a 6 cm (2.4 inch) colour LCD screen, built-in networking, security and mobile print capability.*

Combines 4 devices into 1

Looking to consolidate devices to save space, time and money? The compact and reliable MX317dn provides multifunction performance at a low price. It's built for durability and speed, thanks to a fast dual-core processor, 256MB of memory and built-in networking. This MFP can deliver up to 33 pages per minute, with the first page printed in as little as 6.5 seconds.

Security, with Confidential Print. Mobile print capability.

Proven and tested network security features and protocols protect your device, information and network from unauthorised access. Keep your sensitive documents safe by enabling the Confidential Print feature, which requires entering a customised, unique PIN on the device's keypad before the document can be printed.

Print from mobile devices using an optional Wi-Fi adapter or Lexmark's free Mobile Print app.

4 YEARS Guarantee

4-year Guarantee

Given the choice, wouldn't you prefer to buy a device that protects your investment with a guarantee? The affordable MX317dn is so well made, we back it with a guarantee that covers repair actions including the cost of spare parts if they are needed in the first four years**. The guarantee also offers you free 24-hour online support and access to technical support by phone during working hours.

*Requires free Lexmark Mobile Print app with Android or iOS mobile device
**Offer applies if the product is registered within 90 days from the date of purchase. Supplies and/or consumable parts, such as fuser or transfer unit, are excluded. Please refer to the detailed terms and conditions available at lexmark.com/myguarantee.

Print up to 2,500 pages without replacing toner

Lexmark's exclusive Unison™ Toner keeps your cost of printing low, with standard cartridges that produce up to 2,500 pages. Plus they never require shaking, which minimises interruptions and keeps your work moving. The Lexmark print system and Unison Toner enable consistent print quality throughout the life of the cartridge to prevent wasted prints.

User-friendly

The MX317dn is simple to install, easy to use and offers built-in connectivity and full compatibility with nearly every operating system and network, so you'll be up and running in minutes. It's built to last, so you'll easily be able to print up to 6,000 pages per month, thanks to our state-of-the-art paper handling technology.

Monitor operating status and supply levels on the MFP's easy-to-use, 6 cm (2.4 inch) colour LCD or from a remote location via its web interface. Add an extra paper tray to boost capacity to 850 sheets for fewer interruptions.

An automatic document feeder simplifies printing, copying, scanning and faxing multipage documents.

Eco-friendly

Built-in two-sided printing reduces paper use. The instant warm-up fuser saves energy and delivers the first page as fast as 6.5 seconds. Select an energy-saving mode (Quiet, Hibernate or Eco) to automatically minimise noise and energy consumption.
Through LCCP, the Lexmark Cartridge Collection Programme, Lexmark offers a free and easy way for you to return your empty cartridges for sustainable recycling or remanufacturing. Learn more at http://www.lexmark-emea. com/LCCP/recycling
