

Ricoh
SP 450DN
Launch Datasheet

Ricoh is proud to announce a new and affordable Black and White LED printer suitable for general office use

Ricoh SP 450DN

The new SP 450DN is a 40 ppm device, perfect for workgroups of up to 5 people and print environments of 3,000 - 5,000 prints per month.

The device is a new addition to the Ricoh range and offers outstanding specifications combined with affordable pricing. SP 450DN is:

- Very compact with a small footprint of just 0.145 m2 and has simple front access to paper and consumables
- Network-ready with automatic duplexing
- PCL and PostScript printing enabled and will produce immaculate 1,200 x 1,200 dpi print output at a speed of 40 A4 pages a minute
- Compatible with Ricoh Smart Print app and AirPrint for printing from smart devices
- Outstanding TEC value of 1.71kWh and advanced energy save features

Better than competition
