Xerox® VersaLink® C9000 Colour Printer

Consistently vibrant colour printing tuned with professional colour management tools. Outstanding media flexibility. Unparalleled performance and reliability. Network, mobile and cloud connected. App-based workflow customisation. These are the capabilities that make the VersaLink C9000 the printer of choice for graphic arts professionals and internal design groups alike. Businesses like advertising agencies, graphic design shops, marketing communications firms and photography studios can use the VersaLink C9000 to bring their work and ideas to life with vivid colour and unparalleled quality.

A Printer You Can Count On

Designed for fast-moving workplaces that need professional-quality colour, the Xerox® VersaLink® C9000 helps close the gap between concept and reality with quality, performance and productivity enhancements.

NO HASSLES, JUST PERFORMANCE.

Right out of the box, you'll count on your Xerox® VersaLink C9000 Colour Printer to consistently and flawlessly perform the tasks that make your business work more efficiently. From IT-free installation wizards to step-by-step configuration options, you're ready to go – hassle free.

Designed for superior reliability, the VersaLink C9000 Colour Printer features hardware design with fewer moving parts, strengthened paper path components and an advanced imaging system.

When it comes to safeguarding critical information, VersaLink devices deliver a spectrum of stringent security features, including Secure Print and card authentication to control access.

XEROX® CONNECTKEY® TECHNOLOGY – THE NEXUS OF YOUR COMPLETE PRODUCTIVITY ECOSYSTEM

From Xerox – the company that created the modern workplace – we present the next revolution in workplace productivity. With a consistent user experience across a wide range of devices, mobile and cloud connectivity and a growing library of apps to unleash new functionalities to help you work faster, better and smarter.

Intuitive User Experience

An entirely new – and yet entirely familiar way to interact that includes a tablet-like experience with gesture-based touchscreen controls and easy customisation.

Mobile and Cloud Ready

Instant connectivity to cloud and mobile devices right from the user interface, with access to cloud-hosted services that let you work where, when and how you want.

Benchmark Security

Full multi-level protection for both documents and data, ready to guard against and eliminate emerging threats and meet or exceed regulatory compliance.

Enables Next Generation Services

Work more efficiently and manage resources more effectively. Easy integration of Xerox® Managed Print Services enables remote monitoring of service delivery and consumables.

Gateway to New Possibilities

Instantly extend your capabilities with access to the Xerox App Gallery, featuring real-world apps designed to optimise digital workflows. Commission our network of partners to design innovative, business-specific solutions.

Find out more about how you'll work smarter at www.connectkey.com.

Build profit potential by keeping more of your print work in-house.

Looking for professional-quality colour? The Xerox® VersaLink® C9000 Colour Printer delivers the superior colour imaging technology and professional colour management tools that ensure consistent colour matching print after A3-size print. You'll be able to save time and money by producing more of your customer-facing collateral in-house.

- **True 1200 x 2400 dpi.** The Xerox® VersaLink C9000 Colour Printer's high print resolution enables production of realistic-looking photos, presentation-quality images and graphics and fine-line detail that makes for sharp text, even in small fonts.
- **The colours you expect, with reliable accuracy.** PANTONE® calibrated solid-colour simulations work in concert with Xerox® Colour Correction technology and true Adobe® PostScript® 3™ to deliver results that always match your expectations.
- **Seeing is believing.** You'll hit your colour targets with vivid images, rich and deep blacks and smooth colour transitions that have no streaking, banding or striping. Clients and prospects alike will be impressed by output that matches what they would get from a professional print facility.
- **No-compromise colour matching.** Combining incredibly powerful software with the Xerox® Precise Colour Meter powered by X-Rite, the Xerox® Precise Colour Management System adds professional level colour control and helps maintain colour accuracy print after print, and across all output devices.

Reach new levels of accuracy with Xerox® Precise Colour Management System.

For graphic artists and colour professionals, colour matching is a critical task. The Xerox® Precise Colour Management System adds critical colour control capability through the combination of powerful software and the Xerox® Precise Colour Meter powered by X-Rite.

- **Keep colours perfect.** Environmental conditions, such as temperature and humidity, affect a printer's ability to produce consistently accurate colour. The Xerox® Precise Colour Management System quickly returns your printer to its factory-new settings.
- **Emulate other devices.** Use the Xerox® Precise Colour Management System to create custom colour sets that emulate larger press equipment, allowing in-house creation of prepress proofs. With our system, you can quickly set/reset saved colour profiles to keep your workflows efficient.
- **Measure colours precisely.** Powered by industry-leader X-Rite, the Xerox® Precise Colour Meter measurement device calibrates your monitor and the VersaLink C9000 to match colours from swatch books or colour tables, ensuring accurately matched screen-to-print colours. (Included with Xerox® Precise Colour Management System.)
- **Perfect your spot colours.** Xerox® Precise Colour Management System not only allows fine-tuning of existing spot colours, but new, unique spot colours can be created for your colour proofs.

Advanced finishing options and broad media flexibility transform digital dreams to physical reality.

With the Xerox® VersaLink® C9000 Colour Printer, you can create finished pieces on a wide range of media to match the designer's intent.

Oversize output for A3 bleed

Booklet

V-Fold

Multiposition stapling

YOUR DESIGN ASSISTANT

Your design team wants to do more than just print. They want to produce elegant invitations, attention-getting posters, memorable booklets and high-performance direct mail. You can count on the Xerox® VersaLink C9000 Colour Printer to help them create these and other high-value print pieces. They can choose media in weights from 75 to 350 gsm and sizes from 89 x 99 mm to 320 x 1,321 mm. And a range of advanced finishing devices enables automated production of booklets, brochures, proposals, newsletters, manuals, reports, business cards, packaging, signage, window decals, point-of-sale materials and more.

**350
gsm**

However you measure your paper weight, the VersaLink® C9000 can print on it.

Media Weight Capabilities

Media Size Capabilities (in mm)

Xerox® VersaLink® C9000 Colour Printer
Print. Mobile connectivity.

1 Card Reader Bay and internal card reader compartment.

2 Front-Side USB port¹ allows users to quickly print from any standard USB memory device.

3 100-Sheet Bypass Tray handles media sizes from 88.9 x 98.4 mm to 320 x 482.6 mm and banners from 320 x 1,320.8 mm (64 to 350 gsm).

4 Tray 1 handles up to 520 sheets with custom sizes of 100 x 148 mm to 297 x 431.8 mm (64 to 300 gsm).

5 Tray 2 handles up to 520 sheets with custom sizes of 100 x 148 mm to 320 x 457.2 mm (64 to 300 gsm).

MULTIPLE PAPER TRAY OPTIONS TO FIT EVERY NEED

6 Optional Envelope Kit (replaces Tray 1) provides trouble-free feeding of up to 50 envelopes.

7 Two Tray Module adds up to 1,040 sheets with custom sizes of 100 x 148 mm to 320 x 457.2 mm (64 to 300 gsm).

8 High Capacity Feeder adds up to 2,000 sheets with standard sizes of A4, B5 (64 to 300 gsm).

9 Tandem Tray Module adds up to 2,000 sheets; A4, B5 (64 to 300 gsm).

ADD INCREASED VERSATILITY WITH FINISHING OPTIONS

10 Dual Offset Catch Tray (standard when finishers are not attached): 250 sheets each tray.

11 Optional BR Booklet Maker Finisher provides the capability to create 64-page saddle-stitched and folded booklets (2 to 16 sheets).

12 Optional Office Finisher gives you advanced finishing functions at a great value and offers optional crease/score and saddle-stitch booklet making capable of 60-page booklets (2 to 15 sheets).

¹ USB ports can be disabled.

INTRODUCING TOUCHSCREEN SUPERIORITY

Meet our all-new, 5-inch colour touchscreen – the user interface that sets a higher standard for customisation, personalisation and versatility.

By presenting a familiar “mobile” experience – with support for gestural input and task-focused apps that share a common look and feel – fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and centre. Don't like where a function or app is located? Customise the layout to make it yours.

This unmatched balance of hardware technology and software capability helps everyone who interacts with the VersaLink® C9000 Colour Printers get more work done, faster.

The VersaLink C9000 Colour Printer is built on Xerox® ConnectKey® Technology.
