Advanced design that redefines the modern office

What would your business look like with a small quiet laser printer that could be used anywhere? Samsung's ML-2850 series can be placed where it is convenient for you, on your desk or at the corner of your office, and its stylish design won't need to be hidden. The world's smallest laser printer with built-in duplex is only **364 x 369 x 209.6 mm**. Visualize all the places this compact laser could fit into your business. And imagine how the trendy stylish design will update your environment.

Reliable performer that enhances business production

How much could you accomplish with a high performance laser printer that is fast and reliable? With **400 MHz** processor and printing speed of **28 ppm (A4) (Letter/30 ppm)**, printing production won't slow down, even with large print jobs. And the optional second cassette tray will eliminate the need for constant paper monitoring. Best of all, Samsung's ML-2850 series has a superior monthly duty cycle of **30,000 pages** a month. With these reliable features, your business will accomplish more than you ever thought.

### Economical laser that is also easy to use

Would a laser printer that is easy to use and economical simplify your business? Samsung's ML-2850 series is designed with a simple LED panel and one-button commands that anyone can master quickly. Duplex printing is just as simple to use, saving you time and paper. The savings don't stop there. This laser printer is very economical to operate and has a low cost per page. Ultimately, the Samsung's ML-2850 series saves your business both time and money.
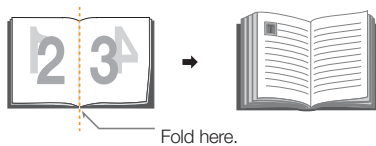

Various Printing Features

Duplex Printing: Enhance your efficiency with one-touch duplex feature that comes standard with the ML-2850 series. Create your own double-sided document with options such as long edge and short edge printing. In addition, two-sided printing will save paper, allowing for convenient storage and portability.
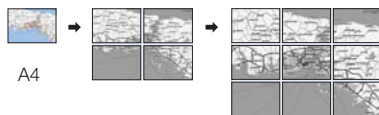

Long Edge   Short Edge

N-up Printing: Create multiple copies of the same page or photo onto one page. No need to cut and paste or print multiple times. N-up printing feature creates up to 16 images on one page and produces just the size you need.

2 Up   4 Up   6 Up   9 Up   16 Up

Booklet Printing: The ML-2850 series can handle booklet creation easily and efficiently.

Fold here.

Poster Printing: Create large sized posters with the 'Poster' printing feature. Start with any size image and create proportional posters of any size. Print out is printed on many pages to create a seamless poster.
